

2023 Barbera
Hidden Lake Vineyards
Dry Creek Valley
Sonoma County

This wine is dedicated to my number two Grandson, Travis, whom I have nicknamed "T-Bone". From the first moment we tasted this Dry Creek Valley wine, we knew it would be a big, brash and bold beauty - and the finished product lived up to that expectation. I decided to name it after T-Bone, because the moment you meet him, you are greeted with a big, brash and bold personality that you won't soon forget. This wonderful Barbera has great spicy and earthy notes that will pair perfectly with a grilled T-Bone steak (and lots of other things as well).
